Proposition One-Games of Chance

Should the Town of Edinburg be authorized to license Games of Chance within the Town, pursuant to Article I, Section 9-A of the New York State Constitution with operators of games of chance defined as any bona fide or charitable organization, or bona fide educational, fraternal, or service organization, or bona fide organization of veterans, volunteer firefighters, and/or emergency services providers? The local law would allow organizations within the Town to raise additional funds and to assist valued local organizations to stay in operation. This law would have no financial impact on Town residents, as participation in games of chance is optional.
