Driven to Distraction: Recognizing and Coping with Attention Deficit Disorder
By Edward M. Hallowell M.D. & John J. Ratey M.D.

Through vivid stories and case histories of patients—both adults and children—explore common myths, offer helpful coping tools, and give a thorough accounting of all treatment options as well as tips for dealing with a diagnosed child, partner, or family member. But most importantly, they focus on the positives that can come with this “disorder”—including high energy, intuitiveness, creativity, and enthusiasm.

Putting on the Brakes
By Patricia O. Quinn

Putting on the Brakes remains the essential go-to resource for kids, parents, and professionals looking for tips and techniques on managing attention disorders. Putting on the Brakes is loaded with practical ways to improve organizational, focusing, studying, and homework skills and contains more strategies for making friends, controlling emotions, and being healthy. This book gives kids with ADHD the tools for success.

The ADHD Workbooks for Teens
By Lara Honos-Webb

In The ADHD Workbook for Teens, you'll learn simple skills you can use to confidently handle school, make and keep friends, and organize and finish every project you start. This workbook helps you find out who you really are through a series of exercises and worksheets that focus on identifying your strengths and interests. Then, you'll begin using those strengths to create strategies for overcoming the ADHD-related issues you struggle with.

The Survival Guide for Kids with ADD or ADHD
By John F. Taylor Ph.D.

In kid-friendly language and a format that welcomes reluctant and easily distracted readers, the survival guide helps kids know they’re not alone and offers practical strategies for taking care of oneself, modifying behavior, enjoying school, having fun, and dealing (when needed) with doctors, counselors, and medication. Includes real-life scenarios, quizzes, and a special message for parents.
