

NEW YORK STATE CANCER SERVICES PROGRAMS
FREE CANCER SCREENING EVENTS
OCTOBER/NOVEMBER 2014

A goal of the New York State Cancer Services Programs (CSPs) is to enroll men and women age 50 and older, **for breast, cervical and colorectal cancer screening**. The events listed below are a mix of **walk-in and appointment only events**. Anyone interested in attending one of the screening events listed below should contact the person or program listed in the last column in order to **make an appointment and confirm their eligibility**.

Visit the CSP page for more information on **eligibility requirements**: <http://www.health.ny.gov/diseases/cancer/services/>
