These duties involve helping patients with physical, social, emotional and related difficulties associated with leeway permitted in determining the type and level of services to be provided. Performs related work as required.

Minimum Qualifications:

- A. Graduation from a regionally accredited or New York State registered college or university with a Bachelor's Degree in Nursing and three (3) years of full time paid experience in a mental health setting, one year of which must have been in a supervisory capacity.

Special Requirements:

Eligibility for appropriate level Motor Vehicle Operator's License issued by the State of New York; possession of the license at the time of appointment.

Possession of a license and current registration to practice as a registered professional nurse in New York State at time of appointment.

Submit Application To:

Margaret McNamara, Director of Human Resources
