

PROBLEM GAMBLING AWARENESS

Seniors, College Students and Youth
Are at Greatest Risk

Whether it's lottery tickets, casinos, Bingo, Internet games, horse or sports betting, poker tournaments, pools, scratch-offs, etc., the exciting opportunities to gamble are all around us and advertised everywhere.

BUT WHAT ABOUT THE RISKS?

- ♦ **Gambling can be very addictive. Find out why.**
- ♦ **Learn about the specific risks and consequences of problem gambling for each of these high-risk groups.**
- ♦ **How are they being actively encouraged to risk money and possessions and to spend more time gambling?**
- ♦ **What can YOU do? Join us on March 18 to become aware.**

WEDNESDAY, MARCH 18 at 6:30 pm

**Saratoga Community Health Center
24 Hamilton Street, Saratoga Springs**

For more information, please contact Linda Bellick at the Prevention Council 518-581-1230 ext. 3616 or outreach@preventioncouncil.org

Special thanks to the Saratoga County Health Dept. and the Saratoga Community Health Center for their support.
