Revised October 21, 2014*

Saratoga County Public Health to Offer Seasonal Influenza Clinics

Beginning in September, Saratoga County Public Health Nursing Service will be offering seasonal influenza clinics for Saratoga County residents. Walk-ins are welcome but appointments are encouraged. Appointments can be made by calling the telephone number listed below for the site where you would like to receive your flu shot. The flu shot is \$40 payable at the time of service with cash, check or credit card. Individuals should bring all insurance cards to the clinic. Public Health will bill Medicare B for those over 65 and other insurances will be billed whenever possible. If your insurance denies payment, you will be billed for this charge. A sliding fee will be available for those individuals with financial need. Applications will be available on site and verification of income will be required. If you have any questions, please call Public Health at (518) 584-7460.
