

***Negative Impact of Gambling Being Experienced  
Most by Today's  
SENIORS, COLLEGE STUDENTS and YOUTH***

*Whether it's lottery tickets, casinos, bingo, Internet games, horse or sports betting, poker tournaments, cards, scratch-offs, etc., the exciting opportunities to gamble are all around us and advertised everywhere.*

***BUT WHAT ABOUT THE RISKS?***

- ♦ Gambling can be addictive.. Find out why.
- ♦ Learn about the specific risks and consequences of problem gambling for each of these high-risk groups
- ♦ How are they being actively encouraged to risk money and possessions on gambling activities? What can you do?

**WEDNESDAY, MARCH 18 6:30 pm**  
**Saratoga Community Health Center**  
**24 Hamilton Street Saratoga Springs NY 12866**
