Mr. Hartman distributed copies of the 2009 Safety Suggestions to all committee members for their review. Upon review of all suggestions and a committee vote, the following Safety Suggestions were chosen as winners of the Safety Suggestion Contest for 2009:

Mr. Rowland said there has been an ongoing problem with a crosswalk and parking at the services building. He suggested consideration in reducing the speed in which people travel in that area. Mr. Hartman said he would discuss it with Mr. Ritchey and report back to the committee.

Mr. Wood encouraged and welcomed all committee members to attend the Board Meeting in October, as the Safety Suggestion Awards will be distributed to the winners.

The next meeting of the Labor Management Safety Committee meeting will be in December. Mr. Hartman requested any member with an agenda item to contact him.

On a motion made by Mr. Benosky, seconded by Mrs. McNamara the meeting was adjourned.
