

Traffic Safety Board Meeting

November 16, 2009 – 1:00 p.m.

Present: Chief Deputy E.M. Rooney, Sheriff's Department; Thomas Parks, Charlton Police; James Davis, Saratoga County District Attorney; Bob Murphy, STOP DWI Coordinator.

Vice Chairman Rooney called the meeting to order.

Mr. Murphy said he would like to add over time hours for Thanksgiving and the holiday season.

The next Victim Impact Panel will be on December 8, 2009.

Mr. Davis said the Traffic Safety Conference in Saratoga Springs showed two cases, one of them investigated by the Sheriff. It was put on material banners in a time line, with props of the personal effects of the victims. This connects well to young adults and teenagers, highlighting all the bad decisions that the teens make. The display is small enough that it can be brought to the different schools and be left where people can view it.

Mr. Murphy said he has already spoken to Saratoga and Shenendehowa High School about setting a display up in their schools. He said the display would be stored at the County and the county maintenance staff would setup the display when it is used in area schools. The price for the county to setup a display is still being pursued.

Mr. Parks asked if the County owns any speed control signs. Mr. Rooney said, no, but many of the towns have them.

***** NEXT MEETING – MONDAY, DECEMBER 14TH AT 1:00 P.M.*****

The meeting was adjourned.

Respectfully submitted,
