

Town of Clifton Park

One Town Hall Plaza | Clifton Park, New York 12065 | (518) 371-6651 | FAX: (518) 371-1136

August 8, 2018

Dear Neighbor,

The Town of Clifton Park is working with the Saratoga County Soil and Water Conservation District to support a program that offers grant funding for homeowners. You are receiving this packet of information because of your property's proximity to the Dwaas Kill Watershed area. If you meet the program criteria and choose to participate, New York State will provide funds to reimburse eligible homeowners for a portion of the cost of replacing failing septic systems and installing more environmentally effective systems. A definitive amount of money has been allocated for this program. Grant funds will be made available to participants until all funds are exhausted. The Town will provide direct support to you and program partners through the process.

Eligible property owners can be reimbursed up to 50 percent of eligible costs not to exceed \$10,000. The program will be administered by our project partner, Saratoga County Soil and Water Conservation District. If you have any questions or require additional program information, please contact the Saratoga County Soil and Water Conservation District Staff at 518-885-6900.

Sincerely,

Phil Barrett
Clifton Park Town Supervisor
