Erosion, Sediment Control & Stormwater Training

October 22, 2020

8:30am – 12:30pm (Registration begins at 8am)

Training Location: 50 West High Street, Ballston Spa

Under the NYS Department of Environmental Conservation's Stormwater Permit, all construction site contractors and subcontractors must have at least one "trained individual" from their company on their construction sites on a daily basis that is responsible for implementation of Erosion Controls and Stormwater Management.

- This training covers both technical and regulatory aspects of stormwater management and erosion control, and is open to anyone including municipal officials, developers, contractors, non-profit organizations, and others.
- With this presentation, the NYSDOS is allowing four (4) Professional Development Elective (PDE) hours for municipal officials. *Contact NYSDOS for further information.*

Registration Information:

Cost is \$75.00 per person (includes training materials & refreshments)

To obtain a registration form, go to <https://www.saratogacountyny.gov/departments/soil-and-water-conservation-district/>.
