

## Bridges Out of Poverty is about...

- Recognizing your own perceptions about poverty.
- Understanding the differences between generational and situational poverty.
- Learning how poverty impacts decision making.
- Identifying hidden rules relative to each economic environment.
- Overcoming language barriers.
- Building capacity to move people from poverty to middle class.

## How does this work?

- Training (1 or 2 hour overviews, 1 or 2 day workshops)
- Changing perceptions of poverty
- Inclusion/Partnership
- Advocating for change
- Collaboration among community organizations
- Policy change

Bridges Out of Poverty trainings were developed by aha! Process, Inc., an award-winning training and publishing company providing workshops, publications, and consulting services to help improve lives and build sustainable success in communities, schools, and higher education.

We do this by creating an understanding of the dynamics that cause and maintain poverty from the individual to systems level. Learn more at <http://www.ahaprocess.com/>
