COUNTY OF SARATOGA

I. TITLE VI/NONDISCRIMINATION CIVIL RIGHTS POLICY STATEMENT

A. POLICY STATEMENT

It is the policy of Saratoga County to prevent and eliminate discrimination in all of its operations and services as well as all aspects of employment. All County Departments shall plan, develop and implement their programs, services and activities so that no person is subjected to unlawful discrimination based on race, creed, color, gender, age, national origin, religion, disability, sexual orientation, marital status or Vietnam-era veteran status, whether those programs, services and activities are federally funded or not.

This policy fully incorporates throughout all of Saratoga County's operations the requirements of applicable State and Federal laws and executive orders to prohibit any discriminatory practices, procedures and policies. All administrators, managers, supervisors and employees are directed to comply with these laws and orders.

Saratoga County's Title VI/Nondiscrimination Civil Rights Policy reflects Saratoga County's firm commitment to achieving equal opportunity in all programs, services and activities for which the County has direct and oversight responsibilities; and to achieve a workplace free from discrimination, where all employees have an equal opportunity to improve their employment status. The Director of Personnel/Title VI Coordinator is charged with monitoring the continued development and implementation of Saratoga County's external Civil Rights program for achieving our agency's goal to ensure equal opportunity for all. The Title VI Coordinator reports directly to the County Administrator on all matters regarding Title VI compliance and enforcement.

The Title VI/Nondiscrimination program shall have the full support of staff and managers. Additionally, all of Saratoga County's partners, contractors and consultants, sub-recipients, community based organizations, faith based organizations and advocacy groups are urged to give the County their full support and cooperation.

This policy shall be conspicuously placed on County bulletin boards, websites and made available to all organizations and entities doing business with Saratoga County. A copy shall be provided to contractors at County pre-construction and scope of service meetings. Any complaints involving allegations of discrimination should be sent to the Director of Personnel/Title VI Coordinator, Saratoga County Personnel Department, 40 McMaster Street, Ballston Spa, New York 12020.

B. POLICY SCOPE AND GUIDANCE

State and Federal nondiscrimination laws are the cornerstones of Saratoga County's strategy to ensure equal opportunity and fair and equitable programs and services to the public.

All employees must assist in the prevention and elimination of any discriminatory practices and are encouraged to report allegations of discrimination to Saratoga County's Director of Personnel/Title VI Coordinator for review and appropriate action.

Saratoga County promotes full and fair participation by all segments of the population including minority, low-income communities and populations that are limited English proficient.

Title VI, one of the primary federal nondiscrimination laws, prohibits discrimination on the basis of race or national origin in the provision of any services that are at all supported with federal funds. Title VI is a valuable tool not only to redress past discrimination, but also to monitor ongoing practices. Title VI provides a legal foundation for the collection of racial, ethnic and primary language data from recipients of federal financial assistance even when a specific statutory requirement to collect this data does not exist.

Public meetings are held in ADA accessible locations. Where possible, meetings are planned in locations that align with public transportation route schedules.

Minutes to all public meetings will be available on the Saratoga County website (www.saratogacountyny.gov).

If a member of the public requests assistance with reading the minutes, understanding the content of the meeting or providing information for project planning and development, the individual should be referred to the Title VI Coordinator who will then make the necessary arrangements.

Saratoga County has an ADA Transition Plan that will be reviewed biannually by the Public Works department and updated as necessary. The ADA Transition Plan will be made available to the public on the County's website --www.saratogacountyny.gov under Title VI plan. A copy of the ADA Transition Plan is attached as Appendix C.

Whenever there is a transportation project, planning and designing services will be provided by qualified consultants who are required to review and analyze demographic data including but not limited to race, color, national origin, sex, low income, and limited English proficiency. Projects designed must be in compliance with all ADA and Title VI regulations. These project designs will be reviewed and approved by state and federal agencies prior to construction.

 - b) the period during which the Recipient retains ownership or possession of the property.
9. The Recipient shall provide for such methods of administration for the program as are found by the U.S. Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed pursuant to the Acts, the Regulations and this Assurance.

The County of Saratoga

Americans with Disabilities Act (ADA) Transition Plan: Pedestrian Facilities in the Public Right-Of-Way

INTRODUCTION:

The purpose of this Plan is to ensure that the County of Saratoga creates reasonable, accessible paths of travel in the public right-of-way for everyone, including people with disabilities. The County of Saratoga has made a significant and long-term commitment to improving the accessibility of their pedestrian facilities. The County's ADA Transition Plan will identify physical barriers and prioritize improvements that should be made to County-owned pedestrian facilities throughout the County of Saratoga. This Transition Plan will describe the existing policies and programs to enhance the overall pedestrian accessibility.

LEGAL REQUIREMENTS:

The federal legislation known as the American with Disabilities Act (ADA) enacted on July 26, 1990 provides comprehensive civil rights protections to persons with disabilities in the area of employment, state and local government services, and access to public accommodations, transportation and telecommunications. The County will follow ADA standards established by the State of New York.

Title II specifically applies to "public entities" (state and local governments) and the programs, services and activities they deliver. Title II Article 8, requires public entities to take several steps designed to achieve compliance. The County's ADA Transition Plan will, at a minimum, include:

1. A list of the physical barriers in County-owned pedestrian facilities that limit the accessibility of its programs, activities, or services to individuals with disabilities.

See attached list of County Owned Sidewalk/Crosswalk locations that are not ADA compliant.

2. A detailed outline of the methods to be utilized to remove these barriers and made the facilities accessible.

The non-compliant locations listed on the attachment referred to in item 1 will be reconstructed as required to be ADA compliant.

3. The schedule for taking the necessary steps to achieve compliance with Title II.

The non-compliant locations listed in Item 1 will be reconstructed to be ADA compliant within the next 1-5 years.

The name of the official responsible for the plan's implementation.

The Saratoga County Commissioner of Public Works

The County is in the process of identifying and assessing obstacles in the public right-of-way through the use of an Inventory Tool. Barrier Removal Priorities based on location priority and accessibility conditions will be a part of the inventory process. It is very important that the public be aware that their involvement in this plan is a valuable component to the County in compiling a workable plan of compliance. The Public's involvement is solicited in developing the ADA Transition Plan.*

ADA COORDINATOR:

The ADA Coordinator for the County of Saratoga shall be the Saratoga County Commissioner of Public Works. The ADA Coordinator shall be responsible for implementing the County's ADA Transition Plan.

PUBLIC COMPLAINT:

Public Complaint, Suggestions and Comments can also be an integral part of the Transition Plan. Public comments may often drive the prioritization of improvements. To file a complaint, comment or request, please contact the ADA Coordinator for the County of Saratoga at the Department of Public Works, 3654 Galway Road, Ballston Spa, NY 12020, and (518)-885-2235.

**COUNTY OF SARATOGA
PUBLIC PARTICIPATION PLAN**

When the County of Saratoga accepts funding for and undertakes a Federally Funded project, we comply with all Federal and State requirements with regard to Public Participation. All required environmental permits are applied for through a joint permitting process. Public information about the proposed action is distributed and posted, if required. Likewise, a Public Information Meeting is held if required by the proposed action.

The Public Participation Plan provides a philosophy around which to build a County wide transportation participation program that will accomplish the following goals:

- **Communicate effectively with appropriate audiences.** The County will disseminate information about programs and projects through a variety of conduits. Information will be presented in a manner that is clear and tailored to each of the County's constituencies.
- **Provide clear and open access to information and participation opportunities.** The County will work to improve access to technical and planning documents and, where appropriate, tailor these documents to be accessible to more constituencies. Opportunities for participation in County meetings and in committee meetings will be clearly defined and provided for at each meeting.
- **Gather input from diverse perspectives.** The County will continue to encourage participation from diverse constituencies and to provide forums for discussion about transportation issues that are responsive to the interests of different constituencies.
- **Respond meaningfully to public comment and feedback.** The County will provide information on how comments will be considered in the planning process, including the development of the County's Long Range Transportation Improvement Program, and acknowledge that comments were received and considered.
- **Promote a regional perspective.** The County will communicate how regional transportation planning plays a vital role in coordinating planning activities on many levels.
