SARATOGA COUNTY BOARD OF SUPERVISORS

RESOLUTION 56 - 2020

Introduced by Supervisors Kinowski, Barrett, Connolly, Raymond, Richardson and Veitch

ADOPTING 2020 SARATOGA COUNTY LEGISLATIVE PROGRAM

WHEREAS, our County is recognized as a statewide leader in economic growth and opportunity; and

WHEREAS, we wish to continue the reforms of non-productive state laws and policies, obtain greater flexibility in resource allocation for local governments, seek relief from unfunded State mandates, and promote economic development in Saratoga County; now, therefore, be it

RESOLVED, that the Saratoga County Board of Supervisors requests enactment of the following legislative initiatives:

Saratoga County 2020 Legislative Program

State

1. Urging the Governor to Restore VLT Aid. The County of Saratoga and City of Saratoga Springs jointly cover costs associated with public safety services in order to provide a venue for video lottery terminals. The County and City rely on VLT aid to offset these costs together with the growing list of unfunded mandates while the State continues to reap the benefits that these venues provide.

2. Restore Early Voting Funding. As many counties suspected, early voting is turning into another unfunded mandate with the elimination of state support. The State did provide limited support to the County in 2019 that totaled a little over \$300,000 for equipment and soft costs. Of the \$300,000, approximately \$150,000 was used to purchase equipment and the rest is being utilized to cover soft costs. These soft costs will continue year after year to fund cellular connection charges, polling place charges and increased election inspector fees. Eliminating funding amounts to another unfunded mandate.

3. Supporting the Creation of a Funding Program for Infrastructure Improvements for Water Supply, Sanitary Sewer, and Stormwater Projects. The CHIPS Program or Consolidated Highway Improvement Program is a program administered by NYSDOT since 1991 which provides funding to local municipalities for highway improvement projects. The County supports the creation of a similar fund for the purpose of improving locally controlled public utilities including water supply, sanitary sewer and stormwater related projects in order to address aging infrastructure, provide redundancy, and prepare for catastrophic events.

4. Restore Community College Funding. The State's reduction in community college tuition is driven by enrollment but what the equation fails to consider are the rising costs of tuition. The original equation was 1/3 Student, 1/3 State, and 1/3 County. With the reduction in state funding to community colleges through the years, the formula has shifted to place a greater burden on the student and the County. The proposed reduction is estimated to cost the county an additional \$400,000 in 2020.

5. Opposing Medicaid Reforms. Based on a review of the County's 2019 Medicaid growth compared to 2018, the amount that exceeds the proposed 3% growth cap would require a refund back to the State in the amount of over \$2.0 million. Over the past 5 years, the total is a staggering \$8.6 million. The fact is the County isn't party to the agreements between the providers and the State and we are required to follow federal and state eligibility rules so we have no way of controlling any of these costs. In addition, the reforms call for a connection between staying under the tax cap and maintaining Medicaid shares based on the State's growth cap. Together, these reforms would force the County to significantly cut other programs and services to its residents in order to maintain a structurally balanced budget.

6. Supporting an Overhaul of Recent Criminal Justice Reforms. Saratoga County supports Senator Tedisco's S.6849 bill to repeal bail and discovery reform laws. These recent reforms have caused widespread concern for public safety and are placing additional unfunded burdens on law enforcement agencies, District Attorney's Office and Public Defenders Offices across the State. As a stop-gap measure, Saratoga County also supports Senator Tedisco's S.7280 bill to protect emergency first responders and provide them with the same personal information disclosure protections that are afforded to law enforcement personnel. The County also supports the bi-partisan bill proposed by Senator Tedisco and Assemblyman Santabarbara, S.6861, that provides courts with more discretion when addressing felony convictions.

RESOLUTION 57 - 2020

Introduced by Supervisors Kinowski, Barrett, Connolly, Gaston, Raymond, Richardson and Veitch

URGING THE STATE LEGISLATURE AND THE GOVERNOR TO PASS INTO LAW THE EMERGENCY RESPONDERS PRIVACY AND PROTECTION ACT (S.7280/A.9107)

WHEREAS, in the final stages of adopting its FY 2020 budget, the State of New York enacted sweeping criminal justice reforms, including the elimination of cash bail for many crimes and the imposition of stringent discovery mandates on police and prosecutors, without holding public hearings or seeking and receiving public input from affected stakeholders; and

WHEREAS, the discovery mandates imposed by the State of New York require police and District Attorneys, as of January 1, 2020, to turn over police reports, radio transmissions, body-worn and dash-cam video, and witness names and contact information, to defense attorneys within 15 days of arraignment, creating a burdensome and unfunded mandate that law enforcement personnel are struggling to meet; and

WHEREAS, the new criminal procedure discovery law protects the names and contact information of law enforcement personnel involved in an arrest from having to be turned over to defense attorneys, thereby safeguarding such personnel and their families from threats of witness intimidation; and

WHEREAS, the new criminal procedure discovery law does not, however, protect from disclosure to criminal defense attorneys the names and contact information of emergency first responders such as firefighters and EMS workers, who often provide critical life-saving services to not only victims but also to perpetrators at crime scenes; and

WHEREAS, firefighters and EMS personnel should be entitled to the same confidentiality protections that law enforcement personnel enjoy by also having their names and contact information protected from disclosure in the criminal procedure discovery process; and

WHEREAS, Senator James Tedisco has introduced in the New York State Senate Bill S.7280, known as the "Emergency First Responders Privacy and Protection Act", which amends the new criminal procedure discovery law to protect from disclosure the names and contact information of firefighters and EMS personnel; and

WHEREAS, Senator Tedisco's bill is co-sponsored by Senator George Amedore, Senator Daphne Jordan, Senator Betty Little, and thirteen other Senators; and

WHEREAS, Assemblyman Dan Stec has introduced in the New York State Assembly a companion bill to Senate Bill S.7280, Assembly Bill A.9107, which similarly amends the new

criminal procedure discovery law to protect from disclosure the names and contact information of firefighters and EMS personnel; and

WHEREAS, Assemblyman Stec's bill is co-sponsored by Assemblywoman Carrie Woerner, Assemblywoman Mary Beth Walsh and twenty-one other members of the Assembly; and

WHEREAS, our Legislative and Research Committee has recommended that this Board of Supervisors adopt a resolution strongly supporting the passage and enactment into law of Senate Bill S.7280 and Assembly Bill A.9107, and that copies of said resolution be forwarded to the leaders of the New York State Senate and Assembly, our local State legislators and Governor Andrew Cuomo; now, therefore, be it

RESOLVED, that the Saratoga County Board of Supervisors hereby strongly urges the New York State Legislature and Governor Andrew Cuomo to enact into law Senate Bill S.7280 and Assembly Bill A.9107, known as the "Emergency First Responders Privacy and Protection Act" and provide New York's firefighters and EMS personnel the same confidentiality protections afforded law enforcement personnel under the new criminal procedure discovery law; and be it further

RESOLVED, that the Clerk of this Board shall send a copy of this Resolution to Governor Andrew M. Cuomo, Attorney General Letitia James, Temporary President and Majority Leader of the Senate Andrea Stewart-Cousins, Speaker of the Assembly Carl E. Heastie, Senate Minority Leader John J. Flanagan, Assembly Minority Leader William A. Barclay, and our local State legislators.

RESOLUTION 58 - 2020

Introduced by Supervisors Smith, Connolly, Gaston, Kusnierz, Lant, O'Connor and Veitch

URGING GOVERNOR CUOMO AND THE STATE LEGISLATURE TO RESTORE VLT IMPACT AID TO THE COUNTY OF SARATOGA AND THE CITY OF SARATOGA SPRINGS

WHEREAS, New York State Tax Law Section 1617-a afforded the Saratoga County Board of Supervisors the option of authorizing video lottery gaming at the Saratoga Equine Sports Center in Saratoga Springs; and

WHEREAS, after hearing significant public input both in favor of and against authorizing such gaming, and after substantial debate, this Board authorized video lottery gaming at the Saratoga Equine Sports Center by passage of Saratoga County Local Law No. 1 of 2002; and

WHEREAS, while the institution of video gaming at the Saratoga Equine Sports Center, now known as Saratoga Casino Hotel, has been successful in stimulating the harness racing industry by, among other things, increasing purses, communities hosting VLT gaming facilities have incurred certain expenses related to the hosting of VLT facilities, such as increased law enforcement and fire protection duties; and

WHEREAS, the State of New York provided financial aid to communities hosting VLT facilities, including the County of Saratoga and City of Saratoga Springs, in the form of VLT Impact Aid to Municipalities to help defray and offset expenses related to hosting VLT facilities; and

WHEREAS, said VLT impact aid was substantial and comprised a significant source of revenue for the City of Saratoga Springs; and

WHEREAS, Governor Andrew M. Cuomo's proposed 2020-2021 New York State Budget calls for the elimination for VLT impact aid to all communities hosting VLT facilities except for Yonkers, purportedly on the basis that the revenue benefits of hosting a VLT facility outweigh any associated costs; and

WHEREAS, if Governor Cuomo's proposed elimination of VLT impact aid were incorporated into the 2020-2021 New York State Budget, the City of Saratoga Springs would stand to lose \$2,325,592 in aid and the County of Saratoga would lose \$775,000 in aid in 2020; and

WHEREAS, the loss of such VLT Impact Aid will impose a significant financial hardship upon the City of Saratoga Springs, and could lead to layoffs of City employees, a reduction in

municipal services to City residents, including police and fire protection, and a substantial increase in property taxes; and

WHEREAS, the loss of such VLT Impact Aid will result in a loss to the County of critical public safety funding and could lead to a reduction in the provision of public safety services; now, therefore, be it

RESOLVED, that the Saratoga County Board of Supervisors hereby strongly urges Governor Andrew M. Cuomo and the New York State Legislature to fully maintain VLT Impact Aid to the County of Saratoga, the City of Saratoga Springs, and all VLT host communities in the 2020-2021 New York State budget; and be it further

RESOLVED, that the Clerk of the Board forward a copy of this Resolution to Governor Andrew M. Cuomo, Senate Majority Leader Andrea Stewart-Cousins, Senate Minority Leader John Flanagan, Assembly Speaker Carl Heastie, Assembly Minority Leader William Barclay, Senator James Tedisco, Senator Daphne Jordan, Assemblywoman Mary Beth Walsh, Assemblyman John McDonald, Assemblywomen Carrie Woerner, and Assemblyman Dan Stec.
