The extent or nature of information to be disclosed includes:

- Clinical summaries (i.e. psychiatric evaluations) Treatment plans and treatment plan reviews
- Admission and/or discharge summaries Notes of psychiatric or other clinic visits
- Medication records and laboratory results Other: _____

Affirmation of Release: I understand that treatment will not be refused, but clinical decisions may be affected, if I do not sign any authorizations to release information. I have the right to revoke (take back) in writing this authorization at any time except to the extent that action has been taken in reliance on it and unless receiving services from Alcoholism and Substance Abuse Service as a result of criminal justice involvement, in which case consent for disclosure to the criminal justice system cannot be revoked. The revocation will take effect on the day it is received. Alcohol and drug treatment records are protected under Federal regulations governing Confidentiality and Drug Abuse Patient Records as well as the Health Insurance Portability and Accountability Act of 1996. Confidential information cannot be disclosed without my written consent unless otherwise provided for (i.e. suspected child abuse, health or mental health emergency under the above noted regulations). If this information is disclosed to someone who is not required to comply with federal privacy protection regulations, then it may no longer be protected. Alcohol and drug program treatment records are protected.

Expiration: This authorization will expire, when acted upon (one time disclosure), 90 days from this date, when I am no longer receiving services from _____, or other _____.
