Jean Raymond, Mo Wright, Mike Smith, Bill Peck, Several Supervisors, Dick Lucia

Jean Raymond

Welcome all of you and I assume attendance is taken. The purpose of the meeting is to add another item to our legislative agenda for review by Law and Finance on Wednesday, and that is with regard to under the federal legislation, supporting federal broadband infrastructure expansion funding. I assume you've all received copies of this?

Several Supervisors

Yes.

Jean Raymond

Okay. Does anybody have any questions? If not, I'll take a motion to adopt this and make it part of our legislative agenda.

Dick Lucia

So moved.

Jean Raymond

By Dick Lucia. Second.

Several Supervisors

(inaudible)

Mo Wright

or Mike, whatever, don't matter.

Jean Raymond

I'll give it to Mike. Okay, discussion? Mo are you okay with this language?

Mo Wright

Oh, yes, I went over it with Steve earlier and I read it, and I did email back and said it look fine. Like I said to Steve, we just needed, I just wanted to give us some starting points to start the conversation with our federal legislators. And I think this covers enough of a broad area, to open up the discussions we need to have with our legislators.

Jean Raymond

That's great. And just for what it's worth, I read a little bit of stuff on the stimulus that passed the Senate and is going to the house. And apparently under things that the County can spend money on one of them is broadband. Which doesn't say how much or what fashion but at least it's included in the language in the stimulus. All right, any other discussion?

Bill Peck

Bill Peck just joined the meeting.

Jean Raymond

Hi Bill Peck. Do you have any other questions Bill on this?

Bill Peck

No, I don't go ahead. I was just worried whether you had a quorum.

Jean Raymond

Thank you. And I appreciate that. Hearing no other discussion? I'll call for a vote. All those in favor?

Several Supervisors

Aye.

Jean Raymond

Any opposed? I don't believe there's any other business since this is a special meeting, and that's all the business we could deal with. I'll entertain a motion to adjourn.

Mo Wright

So moved. And thanks for doing this Jean.

Jean Raymond

No, you're more than welcome. Believe me we need it. We're in the same boat you're in. Okay, the meeting is adjourned. And Bill Peck. I would like to extend the my sympathy on the loss of your uncle.

Bill Peck

Well, thank you. Thank you. He lived a good life.

Jean Raymond

I know he did.

Mo Wright

But Jean you didn't get a second on the motion to adjourn.

Jean Raymond

I got it from Mike Smith.

Mo Wright

All right. Well, Pam didn't hear that so well. He was, you were, you and Bill Peck.

Mike Smith

I think I whispered it.

Jean Raymond

Oh did you. I thought I heard you say it. It's good enough. He's the vice chair. He can he can do that. All right, gentlemen, thank you so much for being here and getting this done. And I will hopefully see you guys on Wednesday.
