Thank you. And just to reiterate, the purpose of this hearing is to offer members of the public an opportunity to provide comment on the tentative 2022 budget as proposed by the Board of Supervisors. And just to also point out that members of the Board of Supervisors have already had an opportunity to amend the budget to this point in time. And the Supervisors will also have another opportunity to speak on the budget at a special meeting on December 8 of 2021. All right, we'll leave the public hearing open another two minutes just to make sure that anyone wishing to speak on the tentative budget if they are a little late getting here has an opportunity and we hear no other request and we will close the public hearing.
