## **ADVISORY**

### **SARATOGA COUNTY TO INSTALL TRAFFIC SIGNAL; CROSSWALKS AT GROOMS & VISCHER FERRY INTERSECTION IN CLIFTON PARK**

Roadwork to Begin Next Week

CLIFTON PARK, NY – Saratoga County officials today announced the county will install an all-way traffic signal at the intersection of Grooms Road and Vischer Ferry Road in Clifton Park to improve traffic flow.

The project includes signal-controlled crosswalks to enhance pedestrian safety at the intersection.

The installation will begin early next week (the week of October 18, 2021) and is expected to be complete within four to six weeks, dependent upon material delivery.

Clifton Park Supervisor, Phil Barrett, who serves as Chairman of the County's Public Works committee said, "The installation of the traffic signal and crosswalks are important and needed upgrades that will improve both traffic safety and pedestrian safety while helping to create a more walkable community. This project is just one example of county's commitment to keeping Saratoga County a safe, family friendly place to live."

The intersection will be open to traffic during the project installation, however drivers may experience intermittent, short delays.
