The Honorable Theodore Kusnierz
Chair, Saratoga County Board of Supervisors
40 McMaster Street
Ballston Spa, NY 12020

Dear Mr. Kusnierz:

I am pleased to announce that Saratoga County has been awarded \$118,764 under the New York State 2021-22 Public Safety Answering Points Operations Grant Program (2021-22 PSAP Grant). This program, administered by my agency, allows for State support to counties for eligible public safety call-taking and dispatching expenses. Your participation in this program is another example of the successful partnerships we have been developing for public safety and emergency preparedness across the state.

The performance period for the 2021-22 PSAP grant will be 12 months, beginning calendar year 2022 (January 1, 2022 – December 31, 2022). Expenses that you wish to claim must occur within that period. In order to provide these funds to you as quickly as possible, we will need to gather budget information within 30 calendar days of the date of this letter that reflects the award amount. Our Grants Program Administration staff will work with your designated PSAP point of contact, to provide additional administrative guidance and to develop a grant contract.

On behalf of Governor Kathy Hochul, the Division of Homeland Security and Emergency Services remains committed to providing outstanding support in the administration of "*your public safety first*" responder initiatives. Please feel free to contact me if you have any questions, at 518-242-5000, or my Office of Interoperable and Emergency Communications (OIEC) Deputy Director, Brett Chellis, at 518-322-4911.

Thank you for your cooperation in this public safety endeavor.

Sincerely,

10. Remarks:

This is an annual non-competitive grant for law enforcement (SLETPP) and Emergency Management (SHSP). There is a requirement that a minimum of 30% of the total grant be utilized for law enforcement purposes under the SLETPP portion of the grant. A portion of the funding and expenses for this grant were included in the 2022 budget.

100% State Aid

Dear Homeland Security Stakeholder,

The Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA) has released the FY2022 Homeland Security Grant Program (HSGP) Notice of Funding Opportunity (NOFO), to include the State Homeland Security Grant Program (SHSP).

We are pleased to inform you that Saratoga County has received an allocation amount of \$247,535 under the FY2022 SHSP (to include SLETPP). Funding for this grant is provided by the U.S. Department of Homeland Security, Federal Emergency Management Agency (FEMA). Please be reminded that a minimum of **30%** of your projects must be spent in support of the six (6) National Priority areas that DHS/FEMA is requiring this funding cycle, these include: Intelligence and Information Sharing, Enhancing the Protection of Soft Targets/Crowded Places, Combating Domestic Violent Extremism, Community Preparedness and Resilience, Cyber Security and Election Security. New York State has been faced with some of the most challenging times in terms of the evolving threat landscape, from nefarious cyber-attacks against local governmental institutions, to the rise in the domestic violent extremism, all during a time when we all are still contending with a public health emergency and its unyielding impacts to our communities. Although flexibility in your project development will be granted this cycle, we highly encourage you to consider projects that are in line with these most pressing threats, as we have all witnessed, extremism and targeted violent attacks can happen anywhere, at any time.

As indicated, this funding cycle you will have the flexibility in determining which National Priority areas you wish to cover in your project development, so long as you meet the **minimum 30% requirement**. There is no required minimum of the number of National Priority areas you wish to cover but we highly encourage you to consider as many as practical. Funding decisions and final award amounts will be determined by DHS/FEMA and will be based on a Grant Effectiveness Review conducted on these **30%** National Priority projects.

In an effort to streamline the application process and support this year's fundamental theme of collaboration within the NOFO, DHSES is requiring that coordination across all jurisdictions within the county occurs during the development of your projects. To that end, we will **only accept ONE** application per county. Please keep in mind that the Federal guidelines still require that you allocate a portion of your funding to support law enforcement terrorism prevention activities - this cycle that percentage has increased to 30% versus the 25% which totals \$74,261 for your SLETPP allocation. These activities should be consistent with the efforts of your local Counter Terrorism Zone (CTZ). Additionally, please be mindful of the new requirement as a subrecipient of SHSP funding, to participate in Threat Assessment Management (TAM) team training in an effort to continue our commitment aimed at targeted violence prevention.

Please find attached the FY2022 SHSP-SLETPP Program Guidance and associated application worksheet. Your application for the FY2022 SHSP-SLETPP grant programs

will be due to DHSES on **June 6, 2022**. Please send your completed application to grant.info@dhses.ny.gov. DHSES will issue formal award letters after we have completed our application to FEMA and final funding determinations have been made. New York State's application to FEMA is due by June 13, 2022.

Given this major shift yet again in the program this year, DHSES will be hosting an Informational Webinar on **Tuesday, May 31, at 10:00AM**. You will have the opportunity to ask questions during this webinar. A follow-up e-mail will be released that will include the Webex link and call-in information. We appreciate your patience with this process and want to assure you that we are committed to providing assistance in navigating this process.

Thank you in advance for your assistance and we appreciate your patience given the time table FEMA has set.

Sincerely,

Eric
