Online notary renewals delayed

BALLSTON SPA — Saratoga County Clerk Craig Hayner has been informed that the New York Department of State has delayed the activation of its online portal for notary public commission renewals.

As a result, notaries who have received renewal letters in the mail indicating they should go online to renew should instead mail the renewal to the Saratoga County Clerk's Office or visit the office as they have done in the past.

Notaries should also be advised that as of Jan. 25, 2023, **all** notaries are required to keep a notarial journal.

Questions about notary renewals should be directed to the County Clerk's Office at 518-885-2213.
