RESOLUTION 33 - 2023

Introduced by Legislative and Government Affairs: Supervisors Butler, Hammond, Lant, K. Veitch and Winney

REQUESTING THE STATE OF NEW YORK TO CONTINUE TO PASS – THRU FEDERAL AFFORDABLE CARE ACT ENHANCED FEDERAL MEDICAID ASSISTANCE PERCENTAGE FUNDS

WHEREAS, the State of New York (State) 2024 State Budget proposal would end the Affordable Care Act (ACA) enhanced Federal Medical Assistance Percentage (eFMAP) federal pass-thru to counties and New York City (NYC); and

WHEREAS, the State is proposing to retain all ACA eFMAP federal pass-thru funds commencing with the State 2024 budget, and apply those funds for the expansion of Medicaid eligibility and benefits, and to increase payments to health care providers; and

WHEREAS, the 2024 State Budget elimination of any ACA eFMAP federal pass-thru funding to the 57 counties currently receiving this funding will result in an increased cost of at least \$280 million to these counties, and will increase to \$1 billion when NYC is included; and

WHEREAS, by the 2027 State Budget, costs are expected to increase by 30% for counties and NYC; and

WHEREAS, based upon the history of ACA eFMAP federal pass-thru funding, it is the opinion of the New York State Association of Counties (NYSAC) that Congress intended these federal funds to be shared with counties proportional to the amount counties have contributed towards the nonfederal Medicaid match; and

WHEREAS, beginning in 2003, when an enhanced federal Medicaid match was enacted by Congress, based on NYSAC's analysis of the data, State has shared those funds proportionally; and

WHEREAS, enacted in 2011, the Medicaid statutory cap for all 62 counties is \$7.6 billion, and for the 57 counties outside of New York City the statutory cap is \$2.25 billion; and

WHEREAS, beginning in 2014, State began sharing ACA eFMAP federal pass-thru funds directly with counties by lowering the weekly payments each county and NYC make to State to support New York State's Medicaid program; and such sharing of federal monies has continued with counties and NYC through February 1, 2023; and

WHEREAS, State's proposed retention of all ACA eFMAP federal pass-thru funding will fully fund State's own reserves two years ahead of schedule, depositing \$5.4 billion into State's reserves before the end of the 2023 Budget year, while also projecting a general fund surplus of \$35 billion by the end of State's 2024 budget; and

WHEREAS, the Saratoga County Board of Supervisors strongly disagree with State's proposed elimination of sharing of ACA eFMAP federal pass-thru funding, to enhance State's reserves and general fund, which would result in an additional unbudgeted cost of \$3,000,000.00 to Saratoga County taxpayers; and now, therefore, be it

RESOLVED, that the Saratoga County Board of Supervisors request State to continue to share ACA eFMAP federal pass-thru funds with Saratoga County and all other New York counties, as has been the precedent for over 20 years; and it is further

RESOLVED, that the Saratoga County Board of Supervisors shall forward copies of this resolution to the Governor of the State of New York, members of the New York State Legislature representing Saratoga County, members of the New York State Congressional Delegation representing Saratoga County, and all others deemed necessary and proper.

Section 3. Eligibility Requirements.

(a) In accordance with Section 215(1) of the General Municipal Law: “Active volunteer firefighter” means a person who has been approved by the authorities in control of a duly organized volunteer fire company or volunteer fire department as an active volunteer firefighter of such fire company or department and who is faithfully and actually performing service in the protection of life and property from fire or other emergency, accident or calamity in connection with which the services of such fire company or fire department are required.

(b) In accordance with Section 3 (1) of the New York Volunteer Ambulance Workers Benefit Law: “Volunteer ambulance worker” means an active volunteer member of an ambulance company as specified on a list regularly maintained by that company for the purpose of this chapter.

SECTION 6. That Local Law No. 3 of 2006 be amended by adding a new Section 4 to read as follows:

Section 4. Twenty-year members. Any enrolled member of an incorporated volunteer fire company, fire department or incorporated voluntary ambulance service who accrues more than twenty years of active service and is so certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department or incorporated voluntary ambulance service, shall be granted

the ten percent exemption as authorized by this section for the remainder of his or her life as long as his or her primary residence is located within the County of Saratoga.

(ii) such deceased volunteer had been an enrolled member for at least five years; and

(iii) such deceased volunteer had been receiving the partial tax exemption prior to his or her death.

(b) The un-remarried spouse of a volunteer firefighter or volunteer ambulance worker with twenty years of service may receive the real property tax exemption for the rest of his or her life if:

(i) such un-remarried spouse is certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department or incorporated voluntary ambulance service as an un-remarried spouse of an enrolled member of such incorporated volunteer fire company, fire department or incorporated volunteer ambulance service;

(ii) such deceased volunteer had been an enrolled member for at least twenty years; and

(iii) such deceased volunteer and un-remarried spouse had been receiving the exemption of such property prior to the death of such volunteer.
