SARATOGA COUNTY ANIMAL SHELTER: DOG GONE ADOPTION DAY

BALLSTON SPA, NY -- Saratoga County Animal Shelter will hold its highly anticipated Dog Gone Adoption Day on Saturday, August 26, from 10am to 3pm. Those looking to add a furry member to their family are encouraged to attend this special occasion. No appointments are necessary!

The Saratoga County Animal Shelter currently houses 24 incredible dogs, each with their own unique personality and charm, ready to bring immeasurable happiness to their future families. In addition, there are a diverse range of more than 50 adorable cats, all longing for a loving and caring environment to call their own.

To ensure a smooth adoption process, potential adopters should fill out the application ahead of time at the Saratoga County Animal Shelter's website (<https://saratogacountyanimalshelter.com/adopter-profile/>). This will help shelter staff and volunteers understand potential adopters' preferences and match them with the perfect companion.

Dog Gone Adoption Day is a family-friendly event where attendees can spend quality time with the shelter's furry friends, interact with dedicated staff, and participate in educational activities. Please note that while shelter staff and volunteers love all pets, they kindly request that attendees do not bring pets to the event. To streamline the adoption process during this event, the shelter will accept cash or check payments only.

Before attending Dog Gone Adoption Day, potential adopters are encouraged visit the Saratoga County Animal Shelter website for a sneak peek of the adoptable dogs to become familiarized with the dogs and their profiles.
