Work shall be in accordance with current Saratoga County Sewer District #1 (SCSD #1) Standards and Specifications. SCSD #1 requires the oil and solids interceptor permit applicant and the project's contractor to designate an agent to whom SCSD #1 shall direct all written, verbal and electronic communications regarding the proposed project or sewer connection.

**NOTE:** By naming such designated agent, the applicant and the project's contractor agree to be bound by all decisions communicated by said designated agent to SCSD #1 regarding the proposed project. By signing below, the designated agent assumes the responsibility of complying with SCSD#1's Sewer Use Ordinance requirements and acknowledges that they could be subject to enforcement action thereunder if necessary. SCSD #1's permit to construct sanitary sewer facilities or connections shall expire one (1) year from the date of its execution by SCSD #1 and the permittee. See sheet two (2) for additional requirements.

schedule inspection of oil and sand interceptor. Approval for use will not be granted until satisfactory inspection has been completed. The property owner will own and maintain the later up to the point of connection with SCSD #1 sewer main.  This permit does not convey legal access to any real property.
