This Agreement identifies the party responsible for administration and establishes the method or provision for funding of applicable phases of a BridgeNY State aid project for the improvement or replacement of a culvert, not on the State highway system, as such project and phases are more fully described by Schedule A annexed to this Agreement. The phases that are potentially the subject of this Agreement, as further enumerated, are: Preliminary Engineering ("PE") and Right-of-Way Incidental ("ROW Incidentals") work; Right-of-Way Acquisition; and Construction, Construction Supervision and/or Construction Inspection. The project shall be identified for the purposes of this Agreement as **Bridge NY Culvert, Crooked Street (CR 14) over Lake Butterfield Inlet** (as more specifically described in such Schedule A, the "Project").

NOW, THEREFORE, the parties agree as follows:

1. *Documents Forming this Agreement.* The Agreement consists of the following:

- Agreement Form - This document titled "BridgeNY Culvert Local Project Agreement";
- Schedule "A" - Description of Project Phase, Funding and Deposit Requirements.
- Schedule "B" - Phases, Subphase/Tasks, and Allocation of Responsibility.
- Appendix "A" - Standard Clauses for New York State Contracts.

***Note – Resolutions for BridgeNY projects must also include an express commitment by the Municipality/Sponsor that construction shall commence no later than twenty-four (24) months after award, and the project must be completed within thirty (30) months of commencing construction. Award is defined as an executed Federal Aid Agreement, approved by the Office of the State Comptroller.**

1.1 Within Appendix A-1, the term "Contractor" herein refers to any party other than the State, whether a **Municipality/Sponsor**, contractor, licensor, licensee, lessor, lessee, or any other party to this Project Agreement, or a subcontractor to any party other than the State.

2. *General Description of Work and Responsibility for Administration and Performance.* Subject to the allocations of responsibility for administration and performance thereof as shown in Schedule B (attached), the work of the Project may consist generally of the categories of work marked and described in Schedule B for the scope and phase in effect according to Schedule A or one or more Supplemental Schedule(s) A as may hereafter be executed and approved by the parties hereto as required for a State contract, and any additions or deletions made thereto by NYSDOT subsequent to the development of such Schedule(s) A for the purposes of conforming to New York State or to Federal Highway Administration requirements or standards, including but not limited to compliance with 28 CFR 35.105 which requires a Municipality/Sponsor employing 50 or more persons to prepare a Transition plan addressing compliance with the Americans with Disabilities Act (ADA).

The Municipality/Sponsor understands that funding is contingent upon the Municipality/Sponsor's compliance with the applicable requirements of the "Local Projects Manual (LPM" formerly known as the "Procedures for Locally Administered Federal Aid Projects (PLAFAP)" Manual (available through NYSDOT's web site at <https://www.dot.ny.gov/plafap>, and as such may be amended from time to time.

State Comptroller (OSC) funding of State aid to the Municipality/Sponsor as described below. For work

performed by or through the Municipality/Sponsor, NYSDOT will reimburse the Municipality/Sponsor up to the amount of the Municipality/Sponsor's award of BridgeNY State aid as described below.

NYSDOT will periodically make reimbursements upon request and certification by the Sponsor. The frequency of reimbursement requests must be in conformance with that stipulated in the NYSDOT Standard Specifications; (§109-06, *Contract Payment*). NYSDOT recommends that reimbursement requests not be submitted more frequently than monthly. In all cases, reimbursement requests must be submitted at least once every six months. A Sponsor's reimbursement requests are restricted to eligible project costs. To be classified as an "eligible project cost", in addition to other requirements of this Agreement, the original expenditure must have been paid within the past 15 months in order to comply with Federal Tax Law and IRS Regulations (26 CFR 1.150-2 (d)(2)(i)), which governs fund disbursements from the issuance of tax-exempt bonds. Expenditures paid greater than 15 months prior to the reimbursement request are ineligible for reimbursement.

4.1 *State aid.* Subject to compliance with this Agreement, NYSDOT shall authorize reimbursement of eligible individual Project costs identified in the applicable Schedule A. Contractor obligations or expenditures that precede the start date of this Agreement shall not be reimbursed. To be eligible for State aid, project costs must be for work which, when completed, has a certifiable service life of at least 50 years for culvert replacements, or at least 10 years for culvert relining.

4.2 *State aid Eligible Project Costs.* Eligible Project costs include costs of acquisition, construction, repair, reconstruction, renovation, equipment and other related costs as set forth in the Project Description in Schedule A or Supplements to Schedule A. Eligible Project costs may also include the reimbursement of salaries and wages to employees of Sponsor for carrying out the Project(s); fees to consultants and professionals retained by Sponsor for planning and performing the Project, and such other costs and expenses directly related to such employees, consultants and professionals for the Project.

4.3 In no event shall the State be obligated to fund or reimburse any costs exceeding the "State Share" provided in Schedule A.

4.4 All items included by the Municipality/Sponsor in the record of costs shall be in conformity with accounting procedures acceptable to NYSDOT and the FHWA. Such items shall be subject to audit by the State, the federal government or their representatives.

4.5 If Project-related work is performed by NYSDOT, NYSDOT will be paid for the full costs thereof. To this end, the reimbursement to the Municipality/Sponsor provided for in section 4.1 above may be reduced by NYSDOT if necessary.

4.6 Municipalities/Sponsor's may not use BridgeNY funds to substitute for the local match to a federally-aided project.

5. *Supplemental Agreements and Supplemental Schedule(s)* Supplemental Agreements or Supplemental Schedule(s) may be entered into by the parties and must be executed and approved in the manner required for a State contract. A Supplemental Schedule is defined as a Supplemental Agreement which revises only the Schedule A of a prior Agreement or Supplemental Agreement. In the event Project cost estimates increase over the amounts provided for in Schedule A, no additional reimbursement shall be due to the Municipality/Sponsor unless the parties enter into a Supplemental

Agreement or Supplemental Schedule A for reimbursement of additional Eligible Project Costs.

6. *State Recovery of Ineligible Reimbursements.* NYSDOT shall be entitled to recover from the Municipality/Sponsor any monies paid to the Municipality/Sponsor pursuant to this Agreement which are subsequently determined to be ineligible for State aid hereunder.

7. *Municipal/Sponsor Liability.*

7.1 If the Municipality/Sponsor performs work under this Agreement with its own forces, it shall be responsible for all damage to person or property arising from any act or negligence performed by or on behalf of the Municipality/Sponsor, its officers, agents, servants or employees, contractors, subcontractors or others in connection therewith. The Municipality/Sponsor specifically agrees that its agents or employees shall possess the experience, knowledge and character necessary to qualify them individually for the particular duties they perform.

7.2 To the fullest extent permitted by law, the Municipality/Sponsor shall indemnify and save harmless the State for all damages and costs arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor, its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement. Negligent performance of service, within the meaning of this section, shall include, in addition to negligence founded upon tort, negligence based upon the failure of the Municipality/Sponsor or its officers, agents, servants, employees, contractors, subcontractors or others to meet professional standards resulting in obvious or patent errors in the progression of its work. Additionally, the Municipality/Sponsor shall defend the State in any action arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor, its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement.

7.3 The Municipality/Sponsor shall at all times during the Contract term remain responsible. The Municipality/Sponsor agrees, if requested by the Commissioner of Transportation or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

7.4 The Municipality/Sponsor shall at all times during the Contract term remain responsible. The Municipality/Sponsor agrees, if requested by the Commissioner of Transportation or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity. The Commissioner of Transportation or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Municipality/Sponsor or the Municipality/Sponsor's officers, agents, servants, employees, contractors, or subcontractors. In the event of such suspension, the Municipality/Sponsor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Municipality/Sponsor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of Transportation or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

7.3 Upon written notice to the Municipality/Sponsor, and a reasonable opportunity to be heard with appropriate NYSDOT officials or staff, the Contract may be terminated by the Commissioner of Transportation or his or her designee at the Municipality's/Sponsor's expense

where the Municipality/Sponsor is determined by the Commissioner of Transportation or his or

her designee to be non-responsible. In such event, the Commissioner of Transportation or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

8. *Maintenance.* The Municipality/Sponsor shall be responsible for the maintenance of the project at the sole cost and expense of the Municipality/Sponsor. If the Municipality/Sponsor intends to have the project maintained by another entity, any necessary maintenance agreement will be executed and submitted to NYSDOT before construction of the Project is begun. Upon its completion, the Municipality/Sponsor will operate and maintain the Project at no expense to NYSDOT; and during the useful life of the Project, the Municipality/Sponsor shall not discontinue operation and maintenance of the Project, nor dispose of the Project, unless it receives prior written approval to do so from NYSDOT.

8.1 The Municipality/Sponsor may request such approved disposition from NYSDOT where the Municipality/Sponsor either causes the purchaser or transferee to assume the Municipality/Sponsor's continuing obligations under this Agreement, or agrees immediately to reimburse NYSDOT for the pro-rata share of the funds received for the project, plus any direct costs incurred by NYSDOT, over the remaining useful life of the Project.

8.2 If a Municipality/Sponsor fails to obtain prior written approval from NYSDOT before discontinuing operation and maintenance of the Project or before disposing of the project, in addition to the costs provided, above in 8.1, Municipality/Sponsor shall be liable for liquidated damages for indirect costs incurred by NYSDOT in the amount of 5% of the total funding provided through NYSDOT.

8.3 For NYSDOT-administered projects, NYSDOT is responsible for maintenance only during the NYSDOT-administered construction phase. Upon completion of the construction phase, the Municipality/Sponsor's maintenance obligations start or resume.

9. *Independent Contractor.* The officers and employees of the Municipality/Sponsor, in accordance with the status of the Municipality/Sponsor as an independent contractor, covenant and agree that they will conduct themselves consistent with such status, that they will neither hold themselves out as, nor claim to be, an officer or employee of the State by reason hereof, and that they will not by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the State, including, but not limited to, Workers Compensation coverage, Unemployment Insurance benefits, Social Security or Retirement membership or credit.

10. *Contract Executory.*

10.1 This Agreement shall be deemed executory only to the extent of the monies available to the State for its performance and no liability on account thereof shall be incurred by the State beyond monies available therefor.

10.1 This Agreement shall remain in effect so long as State funding authorizations are in effect and funds are made available pursuant to the laws controlling such authorizations and availabilities. However, if such authorizations or availabilities lapse and are not renewed, continued or reenacted, as to funds encumbered or available and to the extent of such encumbrances or availabilities, this Agreement shall remain in effect for the duration of such encumbrances or availabilities. Although the liquidity of encumbrances or the availability of funds may be affected by budgetary hiatuses, a State budgetary hiatus will not by itself be construed to

lapse this Agreement, provided any necessary State appropriations or other funding authorizations are enacted. **Municipality/Sponsor's** continued performance during such a budgetary hiatus cannot, by itself, obligate the State to making expenditures without appropriations.

11. *No Assignment or Other Disposition of Agreement.* The Municipality/Sponsor agrees not to assign, transfer, convey, sublet or otherwise dispose of this Agreement or any part thereof, or of its right, title or interest therein, or its power to execute such Agreement to any entity, public or private, without the previous written consent of NYSDOT first having been obtained.

12. *Term of Agreement.* The Project phase(s) and Term are identified in Schedule(s) A executed herewith and incorporated herein or as subsequently identified in any duly executed and approved supplemental Schedule(s) A as of the date of such supplemental Schedule(s) A. This Agreement shall remain in effect so long as applicable funding authorizations are in effect and funds are made available pursuant to the laws controlling such authorizations and availabilities.

12.1 Time is of the essence. The Municipality/Sponsor understands that construction of BridgeNY Projects must commence no later than twenty-four (24) months after award, and the project must be completed within thirty (30) months of commencing construction. Award is defined as an executed BridgeNY Agreement approved by the Office of the State Comptroller.

13. *NYSDOT Obligations.* NYSDOT's responsibilities and obligations are as specifically set forth in this agreement, and neither NYSDOT nor any of its officers or employees shall be responsible or liable, nor shall the Municipality/Sponsor assert, make or join in any claim or demand against NYSDOT, its officers or employees, for any damages or other relief based on any alleged failure of NYSDOT, its officers or employees, to undertake or perform any act, or for undertaking or performing any act, which is not specifically required or prohibited by this Agreement.

14. *Ethics Considerations.* In addition to Municipality's/Sponsor's conforming with the applicable provisions of Public Officers Law §73 (Business or Professional Activities by State Officers and Employees and Party Officers) and General Municipal Law §806 (Code of Ethics) as related to the expenditure of the Program Funding made hereunder, no member of Municipality's/Sponsor's governing body, its officers or employees, or any member of the Board of Directors or staff, nor any member of their families shall benefit financially either directly or indirectly from the Program Funding unless such action is otherwise in accordance with law and is necessary for the accomplishment of the Project. In such event, Municipality/Sponsor shall disclose such relationship to NYSDOT and shall obtain prior written approval therefor from NYSDOT.

15. *Reporting Requirements.* The Municipality/Sponsor agrees to comply with and submit to NYSDOT in a timely manner all applicable reports required under the provisions of this Agreement and in accordance with current Federal and State laws, rules, and regulations.

16. *NYSDOT Performance Review.* NYSDOT may review the Municipality's/Sponsor's performance of this Agreement in such manner and at such times as NYSDOT shall determine, and such review may include field visits by NYSDOT representatives to the Project and/or the offices of Municipality/Sponsor. Municipality/Sponsor shall at all times make available its employees, records and facilities to authorized NYSDOT representatives in connection with any such review. Such review shall be for the purpose, among other things, of ascertaining the quality and quantity of Municipality's/Sponsor's performance of the Project, its use and operation.

17. *Electronic Contract Payments.* Municipality/Sponsor shall provide complete and accurate supporting documentation of eligible local expenditures as required by this Agreement, NYSDOT and the State Comptroller. Following NYSDOT approval of such supporting documentation, payment for invoices submitted by the Municipality/Sponsor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary State procedures and practices from the Statewide Financial System (SFS). The Municipality/Sponsor shall comply with the State Comptroller's procedures for all applicable State Aid to authorize electronic payments. NOW, THEREFORE, the parties agree as follows:

1. *Documents Forming this Agreement.* The Agreement consists of the following:

- Agreement Form - This document titled "BridgeNY Culvert Local Project Agreement";

1.1 Within Appendix A-1, the term "Contractor" herein refers to any party other than the State, whether a **Municipality/Sponsor**, contractor, licensor, licensee, lessor, lessee, or any other party to this Project Agreement, or a subcontractor to any party other than the State.

2. *General Description of Work and Responsibility for Administration and Performance.* Subject to the allocations of responsibility for administration and performance thereof as shown in Schedule B (attached), the work of the Project may consist generally of the categories of work marked and described in Schedule B for the scope and phase in effect according to Schedule A or one or more Supplemental Schedule(s) A as may hereafter be executed and approved by the parties hereto as required for a State contract, and any additions or deletions made thereto by NYSDOT subsequent to the development of such Schedule(s) A for the purposes of conforming to New York State or to Federal Highway Administration requirements or standards, including but not limited to compliance with 28 CFR 35.105 which requires a Municipality/Sponsor employing 50 or more persons to prepare a Transition plan addressing compliance with the Americans with Disabilities Act (ADA).

State Comptroller (OSC) funding of State aid to the Municipality/Sponsor as described below. For work

performed by or through the Municipality/Sponsor, NYSDOT will reimburse the Municipality/Sponsor up to the amount of the Municipality/Sponsor's award of BridgeNY State aid as described below.

NYSDOT will periodically make reimbursements upon request and certification by the Sponsor. The frequency of reimbursement requests must be in conformance with that stipulated in the NYSDOT Standard Specifications; (§109-06, *Contract Payment*). NYSDOT recommends that reimbursement requests not be submitted more frequently than monthly. In all cases, reimbursement requests must be submitted at least once every six months. A Sponsor's reimbursement requests are restricted to eligible project costs. To be classified as an "eligible project cost", in addition to other requirements of this Agreement, the original expenditure must have been paid within the past 15 months in order to comply with Federal Tax Law and IRS Regulations (26 CFR 1.150-2 (d)(2)(i)), which governs fund disbursements from the issuance of tax-exempt bonds. Expenditures paid greater than 15 months prior to the reimbursement request are ineligible for reimbursement.

4.1 *State aid.* Subject to compliance with this Agreement, NYSDOT shall authorize reimbursement of eligible individual Project costs identified in the applicable Schedule A. Contractor obligations or expenditures that precede the start date of this Agreement shall not be reimbursed. To be eligible for State aid, project costs must be for work which, when completed, has a certifiable service life of at least 50 years for culvert replacements, or at least 10 years for culvert relining.

4.2 *State aid Eligible Project Costs.* Eligible Project costs include costs of acquisition, construction, repair, reconstruction, renovation, equipment and other related costs as set forth in the Project Description in Schedule A or Supplements to Schedule A. Eligible Project costs may also include the reimbursement of salaries and wages to employees of Sponsor for carrying out the Project(s); fees to consultants and professionals retained by Sponsor for planning and performing the Project, and such other costs and expenses directly related to such employees, consultants and professionals for the Project.

4.3 In no event shall the State be obligated to fund or reimburse any costs exceeding the "State Share" provided in Schedule A.

4.4 All items included by the Municipality/Sponsor in the record of costs shall be in conformity with accounting procedures acceptable to NYSDOT and the FHWA. Such items shall be subject to audit by the State, the federal government or their representatives.

4.5 If Project-related work is performed by NYSDOT, NYSDOT will be paid for the full costs thereof. To this end, the reimbursement to the Municipality/Sponsor provided for in section 4.1 above may be reduced by NYSDOT if necessary.

4.6 Municipalities/Sponsor's may not use BridgeNY funds to substitute for the local match to a federally-aided project.

5. *Supplemental Agreements and Supplemental Schedule(s)* Supplemental Agreements or Supplemental Schedule(s) may be entered into by the parties and must be executed and approved in the manner required for a State contract. A Supplemental Schedule is defined as a Supplemental Agreement which revises only the Schedule A of a prior Agreement or Supplemental Agreement. In the event Project cost estimates increase over the amounts provided for in Schedule A, no additional reimbursement shall be due to the Municipality/Sponsor unless the parties enter into a Supplemental

Agreement or Supplemental Schedule A for reimbursement of additional Eligible Project Costs.

6. *State Recovery of Ineligible Reimbursements.* NYSDOT shall be entitled to recover from the Municipality/Sponsor any monies paid to the Municipality/Sponsor pursuant to this Agreement which are subsequently determined to be ineligible for State aid hereunder.

7. *Municipal/Sponsor Liability.*

7.1 If the Municipality/Sponsor performs work under this Agreement with its own forces, it shall be responsible for all damage to person or property arising from any act or negligence performed by or on behalf of the Municipality/Sponsor, its officers, agents, servants or employees, contractors, subcontractors or others in connection therewith. The Municipality/Sponsor specifically agrees that its agents or employees shall possess the experience, knowledge and character necessary to qualify them individually for the particular duties they perform.

7.2 To the fullest extent permitted by law, the Municipality/Sponsor shall indemnify and save harmless the State for all damages and costs arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor, its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement. Negligent performance of service, within the meaning of this section, shall include, in addition to negligence founded upon tort, negligence based upon the failure of the Municipality/Sponsor or its officers, agents, servants, employees, contractors, subcontractors or others to meet professional standards resulting in obvious or patent errors in the progression of its work. Additionally, the Municipality/Sponsor shall defend the State in any action arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor, its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement.

7.3 The Municipality/Sponsor shall at all times during the Contract term remain responsible. The Municipality/Sponsor agrees, if requested by the Commissioner of Transportation or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

7.4 The Municipality/Sponsor shall at all times during the Contract term remain responsible. The Municipality/Sponsor agrees, if requested by the Commissioner of Transportation or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity. The Commissioner of Transportation or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Municipality/Sponsor or the Municipality/Sponsor's officers, agents, servants, employees, contractors, or subcontractors. In the event of such suspension, the Municipality/Sponsor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Municipality/Sponsor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of Transportation or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

7.3 Upon written notice to the Municipality/Sponsor, and a reasonable opportunity to be heard with appropriate NYSDOT officials or staff, the Contract may be terminated by the Commissioner of Transportation or his or her designee at the Municipality's/Sponsor's expense

where the Municipality/Sponsor is determined by the Commissioner of Transportation or his or

her designee to be non-responsible. In such event, the Commissioner of Transportation or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

8. *Maintenance.* The Municipality/Sponsor shall be responsible for the maintenance of the project at the sole cost and expense of the Municipality/Sponsor. If the Municipality/Sponsor intends to have the project maintained by another entity, any necessary maintenance agreement will be executed and submitted to NYSDOT before construction of the Project is begun. Upon its completion, the Municipality/Sponsor will operate and maintain the Project at no expense to NYSDOT; and during the useful life of the Project, the Municipality/Sponsor shall not discontinue operation and maintenance of the Project, nor dispose of the Project, unless it receives prior written approval to do so from NYSDOT.

8.1 The Municipality/Sponsor may request such approved disposition from NYSDOT where the Municipality/Sponsor either causes the purchaser or transferee to assume the Municipality/Sponsor's continuing obligations under this Agreement, or agrees immediately to reimburse NYSDOT for the pro-rata share of the funds received for the project, plus any direct costs incurred by NYSDOT, over the remaining useful life of the Project.

8.2 If a Municipality/Sponsor fails to obtain prior written approval from NYSDOT before discontinuing operation and maintenance of the Project or before disposing of the project, in addition to the costs provided, above in 8.1, Municipality/Sponsor shall be liable for liquidated damages for indirect costs incurred by NYSDOT in the amount of 5% of the total funding provided through NYSDOT.

8.3 For NYSDOT-administered projects, NYSDOT is responsible for maintenance only during the NYSDOT-administered construction phase. Upon completion of the construction phase, the Municipality/Sponsor's maintenance obligations start or resume.

9. *Independent Contractor.* The officers and employees of the Municipality/Sponsor, in accordance with the status of the Municipality/Sponsor as an independent contractor, covenant and agree that they will conduct themselves consistent with such status, that they will neither hold themselves out as, nor claim to be, an officer or employee of the State by reason hereof, and that they will not by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the State, including, but not limited to, Workers Compensation coverage, Unemployment Insurance benefits, Social Security or Retirement membership or credit.

10. *Contract Executory.*

10.1 This Agreement shall be deemed executory only to the extent of the monies available to the State for its performance and no liability on account thereof shall be incurred by the State beyond monies available therefor.

10.1 This Agreement shall remain in effect so long as State funding authorizations are in effect and funds are made available pursuant to the laws controlling such authorizations and availabilities. However, if such authorizations or availabilities lapse and are not renewed, continued or reenacted, as to funds encumbered or available and to the extent of such encumbrances or availabilities, this Agreement shall remain in effect for the duration of such encumbrances or availabilities. Although the liquidity of encumbrances or the availability of funds may be affected by budgetary hiatuses, a State budgetary hiatus will not by itself be construed to

PHASE: PER SCHEDULES A

lapse this Agreement, provided any necessary State appropriations or other funding authorizations are enacted. **Municipality/Sponsor's** continued performance during such a budgetary hiatus cannot, by itself, obligate the State to making expenditures without appropriations.

11. *No Assignment or Other Disposition of Agreement.* The Municipality/Sponsor agrees not to assign, transfer, convey, sublet or otherwise dispose of this Agreement or any part thereof, or of its right, title or interest therein, or its power to execute such Agreement to any entity, public or private, without the previous written consent of NYSDOT first having been obtained.

12. *Term of Agreement.* The Project phase(s) and Term are identified in Schedule(s) A executed herewith and incorporated herein or as subsequently identified in any duly executed and approved supplemental Schedule(s) A as of the date of such supplemental Schedule(s) A. This Agreement shall remain in effect so long as applicable funding authorizations are in effect and funds are made available pursuant to the laws controlling such authorizations and availabilities.

12.1 Time is of the essence. The Municipality/Sponsor understands that construction of BridgeNY Projects must commence no later than twenty-four (24) months after award, and the project must be completed within thirty (30) months of commencing construction. Award is defined as an executed BridgeNY Agreement approved by the Office of the State Comptroller.

13. *NYSDOT Obligations.* NYSDOT's responsibilities and obligations are as specifically set forth in this agreement, and neither NYSDOT nor any of its officers or employees shall be responsible or liable, nor shall the Municipality/Sponsor assert, make or join in any claim or demand against NYSDOT, its officers or employees, for any damages or other relief based on any alleged failure of NYSDOT, its officers or employees, to undertake or perform any act, or for undertaking or performing any act, which is not specifically required or prohibited by this Agreement.

14. *Ethics Considerations.* In addition to Municipality's/Sponsor's conforming with the applicable provisions of Public Officers Law §73 (Business or Professional Activities by State Officers and Employees and Party Officers) and General Municipal Law §806 (Code of Ethics) as related to the expenditure of the Program Funding made hereunder, no member of Municipality's/Sponsor's governing body, its officers or employees, or any member of the Board of Directors or staff, nor any member of their families shall benefit financially either directly or indirectly from the Program Funding unless such action is otherwise in accordance with law and is necessary for the accomplishment of the Project. In such event, Municipality/Sponsor shall disclose such relationship to NYSDOT and shall obtain prior written approval therefor from NYSDOT.

15. *Reporting Requirements.* The Municipality/Sponsor agrees to comply with and submit to NYSDOT in a timely manner all applicable reports required under the provisions of this Agreement and in accordance with current Federal and State laws, rules, and regulations.

16. *NYSDOT Performance Review.* NYSDOT may review the Municipality's/Sponsor's performance of this Agreement in such manner and at such times as NYSDOT shall determine, and such review may include field visits by NYSDOT representatives to the Project and/or the offices of Municipality/Sponsor. Municipality/Sponsor shall at all times make available its employees, records and facilities to authorized NYSDOT representatives in connection with any such review. Such review shall be for the purpose, among other things, of ascertaining the quality and quantity of Municipality's/Sponsor's performance of the Project, its use and operation.

17. *Electronic Contract Payments.* Municipality/Sponsor shall provide complete and accurate supporting documentation of eligible local expenditures as required by this Agreement, NYSDOT and the State Comptroller. Following NYSDOT approval of such supporting documentation, payment for invoices submitted by the Municipality/Sponsor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary State procedures and practices from the Statewide Financial System (SFS). The Municipality/Sponsor shall comply with the State Comptroller's procedures for all applicable State Aid to authorize electronic payments. Instructions and authorization forms are available on the New York State Comptroller's website at

<https://www.osc.state.ny.us/state-vendors> or by email at epunit@osc.state.ny.us.

18. *Compliance with Legal Requirements.* Municipality/Sponsor must comply with all applicable federal, state and local laws, rules and regulations, including but not limited to the following:

18.1 *New York State Executive Law Article 15-A, Participation by Minority Group members and Women with Respect to State Contracts and New York State Executive Law Article 17-B, Participation by Service-Disabled Veterans with Respect to State Contracts,* including requirements relating to equal employment opportunity, and utilization goals and contracting opportunities for minority and women-owned business enterprises and service-disabled veteran owned business, without additional cost to NYSDOT.

18.1.1 *EEO Policy Statement.* Pursuant to 5 NYCRR §143.2, a Municipality/Sponsor shall adopt an EEO policy if one is not previously adopted, as provided in Appendix B, and submit to NYSDOT a signed copy of Appendix B.

18.1.2 *Minority-owned and Women-owned Business Enterprise (M/WBE) and Service-Disabled Veteran Owned Business (SDVOB) Goals.* Municipality/Sponsor must comply with all M/WBE and SDVOB requirements and goals stated within the provisions of Appendix B, titled, "Minority and Women-owned Business Enterprises-Service-Disabled Veteran Owned Business – Equal Employment Opportunity Policy Statement".

18.1.3 *M/WBE and SDVOB Guidance.* Refer to the New York State Department of Transportation website and Appendix B for guidance related to M/WBE and SDVOB goals at www.dot.ny.gov/main/business-center/civil-rights/.

Assigned M/WBE and SDVOB goals must be included in the Municipality's/Sponsor's proposed contract documents when submitted for NYSDOT approval prior to project advertisement. Any requests for a reduction or waiver of the goals must be submitted at that time so that the correct goals are included in the project advertisement.

18.1.4 *Good Faith Efforts.* If a Municipality/Sponsor fails to meet the M/WBE or SDVOB requirements set forth in Appendix B, they must demonstrate Good Faith Efforts pursuant to 5 NYCRR §142.8.

18.1.5 *M/WBE and SDVOB Compliance Reports.* The Municipality/Sponsor shall require their consultants and contractors to submit electronic, monthly M/WBE and SDVOB compliance reports via NYSDOT's Civil Rights Reporting Software, Equitable Business Enterprise (EBO), on or before the 15th day of the immediately preceding month. The Municipality/Sponsor must apply

for access to EBO at the following website: www.dot.ny.gov/dotapp/ebo.

18.1.6 *Failure to Comply.* If the Sponsor fails to monitor and administer contracts in accordance with State requirements, the Sponsor will not be reimbursed for associated activities within the affected contracts. The Sponsor must ensure that any contract it awards under this Agreement has a Minority-owned and Women-owned Business Enterprise (M/WBE) and a Service-Disabled Veteran Owned Business (SDVOB) Utilization Plan and complies with such plans. If, without prior written approval by NYSDOT, the Sponsor's contractors and subcontractors fail to complete work for the project as proposed in the M/WBE and SDVOB Schedule of Utilization, NYSDOT at its discretion may (1) cancel, terminate or suspend this Agreement or such portion of this Agreement, or (2) assess liquidated damages in an amount of up to 20% of the portion of the Sponsor's contracts and subcontracts, funded in whole or in part by this Agreement, to which contract goals are established in accordance with NYSDOT guidance.
