

Summer Fun with your Flexible Spending Account

Don't forget about your FSA for summer must-haves!

More than medical

Besides costs at the doctor's office or pharmacy, your FSA can be used for summer essentials and over-the-counter items you're probably already using every day, like sunscreen, allergy medication, and even thermometers.

Shop smart with The FSA Store

One easy way to know that your purchases are FSA-eligible is to buy online at The FSA Store. All products sold there are guaranteed FSA-eligible, so you can shop with confidence! To access the FSA Store, login to your WEX Health portal and look for the Quick Links found under the Tools & Support Tab or click here:
