## **SARATOGA COUNTY ANIMAL SHELTER: BLOOMING BONDS ADOPTION DAY EVENT THIS SATURDAY**

BALLSTON SPA, NY -- Saratoga County Animal Shelter will hold a Blooming Bonds Adoption Day Event on Saturday, March 23 from 10am to 3pm (6010 County Farm Rd, Ballston Spa, NY 12020). Those looking to add a furry member to their family are encouraged to attend this special occasion. No appointments are necessary!

The Saratoga County Animal Shelter currently houses 20 incredible dogs, each with their own unique personality and charm, ready to bring immeasurable happiness to their future families. In addition, there are a diverse range of more than 10 adorable cats, all longing for a loving and caring environment to call their own. There are also six guinea pigs available for adoption!

To ensure a smooth adoption process, potential adopters should fill out the application ahead of time at the Saratoga County Animal Shelter's website (<https://saratogacountyanimalshelter.com/adopter-profile/>). This will help shelter staff and volunteers understand potential adopters' preferences and match them with the perfect companion.

The Blooming Bonds Adoption Day Event is a family-friendly event where attendees can spend quality time with the shelter's furry friends and interact with dedicated staff. Please note that while shelter staff and volunteers love all pets, they kindly request that attendees do not bring pets to the event. To streamline the adoption process during this event, the shelter will accept cash or check payments only. The shelter also encourages people to bring dog or cat food or cat litter to the adoption event for donation to a local food pantry. The Saratoga County Animal Shelter regularly partners with area food pantries to provide items that help keep pets in their homes.

Before attending the Blooming Bonds Adoption Day Event, potential adopters are encouraged to visit the Saratoga County Animal Shelter website for a sneak peek of the adoptable animals to become familiarized with the animals and their profiles.
