SARATOGA COUNTY ANIMAL SHELTER: BULLY BASH ADOPTION DAY EVENT THIS SATURDAY

BALLSTON SPA, NY -- Saratoga County Animal Shelter will hold a special adoption event called The Bully Bash, on Saturday, July 20th from 10am to 3pm (6010 County Farm Rd, Ballston Spa, NY 12020). Anyone looking to add a furry member to their family is encouraged to attend this special occasion. No appointments are necessary!

The Saratoga County Animal Shelter currently houses 16 incredible Pitbull's and Pitbull mixes, each with their own unique personality and charm. This special adoption event is specifically focused on finding loving homes for Pitbull and Pitbull mixes. The event aims to raise awareness about the misunderstood breed and promote their adoption. In addition, there are a diverse range of more than 44 adorable cats, all longing for a loving and caring environment to call their own.

To ensure a smooth adoption process, potential adopters should fill out the application ahead of time at the Saratoga County Animal Shelter's website (<https://saratogacountyanimalshelter.com/adopter-profile/>). This will help shelter staff and volunteers understand potential adopters' preferences and match them with the perfect companion.

The Bully Bash Adoption Day Event is a family-friendly event where attendees can spend quality time with the shelter's furry friends and interact with dedicated staff. Please note that while shelter staff and volunteers love all pets, they kindly request that attendees do not bring pets to the event. To streamline the adoption process during this event, the shelter will accept cash or check payments only. The shelter also encourages people to bring dog or cat food or cat litter to the adoption event for donation to a local food pantry. The Saratoga County Animal Shelter regularly partners with area food pantries to provide items that help keep pets in their homes.

Before attending the Bully Bash Adoption Day Event, potential adopters are encouraged visit the Saratoga County Animal Shelter website for a sneak peek of the adoptable animals to become familiarized with their profiles.

For more information visit www.saratogacountyanimalshelter.com.

Media is invited and encouraged to attend.
