Introduced by Law and Finance: Supervisors M. Veitch, Butler, Grasso, Lant, Ostrander, Tollisen and K. Veitch

AUTHORIZING AN AGREEMENT WITH WILLIAM SCOTSMAN, INC. FOR THE PURCHASE OF A MODULAR OFFICE UNIT

WHEREAS, pursuant to Resolution 270 – 2022, the County entered into a two-year lease agreement with Williams Scotsman, Inc., dba Willscot, with a local office at 1620 Route 9, Clifton Park, New York 12065 (hereinafter “Willscot”), for a modular office unit located adjacent to County Buildings 3 and 4, for use by Family Court, at a rate of \$3,768 per month, totaling \$45,216 annually; and

WHEREAS, with the lease expiring in November 2024, the Department of Public Works (hereinafter “DPW”) sought a renewal quote from Willscot, whose proposal included a new two-year lease agreement, commencing November 28, 2024, at a rate of \$4,333.20 per month, or \$51,998.40 annually; and

WHEREAS, to remain cost-effective, DPW issued a competitive Request for Proposals to explore additional options for the County’s modular office needs, with Willscot responding as the sole bidder, and providing a purchase quote of \$70,300 for the existing modular office unit and associated equipment; and

WHEREAS, DPW conducted a 10-year cost analysis comparing continued leasing with an outright purchase, which showed that a 10-year lease would cost approximately \$519,984, assuming a constant annual rate of \$51,998.40, whereas an outright purchase on Willscot's bid of \$70,300, combined with an estimated \$30,000 allocated over 10 years for major repairs, would total \$100,300, resulting in projected savings of \$419,684 for the County; and

WHEREAS, the 10-year cost analysis demonstrates that purchasing the existing modular office unit, rather than leasing it, provides substantial long-term savings, ensures continuity of service, and avoids costly and disruptive reconfigurations associated with transitioning to a new modular office unit from a new vendor; and

WHEREAS, the County’s Buildings and Grounds Division has maintained the modular office unit throughout the duration of the lease and will continue to handle routine maintenance post-purchase, with anticipated expenses limited to major components such as the roof and HVAC system, which are accounted for in DPW’s 10-year cost analysis; now, therefore, be it

RESOLVED, that the Board of Supervisors finds this purchase to be in the County’s best interest, offering significant cost savings, maintaining operational continuity, and meeting the County's long-term modular office needs without the requirement of further lease renewals; and be it further
