## **SARATOGA COUNTY DPW TO HOLD PUBLIC INFORMATIONAL MEETING REGARDING PROPOSED BRIDGE REPLACEMENT PROJECT ON CR 91 (GROOMS RD.) OVER THE TRIBUTARY TO COLONIE RESERVOIR, TOWN OF CLIFTON PARK**

CLIFTON PARK, NY -- Saratoga County Department of Public Works (SCDPW), in cooperation with the New York State Department of Transportation, will hold a Public Informational Meeting on Wednesday, December 4, 2024, at 6:30 PM at the Clifton Park Town Hall, 1 Town Hall Plaza.

The purpose of this presentation is to provide an opportunity for individuals to become acquainted with the proposed project to replace the bridge on County Route 91 over the tributary to colonie reservoir in the Town of Clifton Park. At the meeting individuals will be given the opportunity to ask questions and present oral and/or written comments about the project. Written comments will become part of the project record. In addition, project representatives will be available after the formal presentation to meet with individuals one-on-one to discuss details of the project.

This bridge replacement project is scheduled to be completed in 2026. In addition to the replacement of the bridge, construction will include replacement of the approach roadway pavement and guide rail. The goals of the project are to replace the existing deteriorated structure, improve hydraulic resiliency, and provide adequate aquatic organism passage at the crossing. Most of the project costs will be reimbursed by the State and Federal governments.

This public informational meeting is part of the continuing efforts by Saratoga County and the New York State Department of Transportation to encourage public input into the development of transportation projects.
